

## **KEVIN G. HULEN**

6417 N.W. 28th Terrace. Gainesville, FL. 32653

Phone: (352) 284-3457 | Email: [kevin@twinrivers.com](mailto:kevin@twinrivers.com)

### **EDUCATION**

**2010.** M.Ed.: Secondary Science Education ProTeach, University of Florida.

**2004.** M.Sc.: Zoology, University of Florida.

**1998.** B.Sc.: Wildlife Ecology and Conservation, University of Florida.

### **TEACHING EXPERIENCE**

**2009 – 10’.** Online Course Instructor. Department of Biology, University of Florida.

**2008.** Internship. 10<sup>th</sup> Grade Biology. Buchholz High School, Gainesville, FL.

**2006 – 08’.** Biology Lecturer. Biological Sciences Program, University of Florida.

**2001 – 04’.** Teaching Assistant. Biological Sciences Program, University of Florida. Vertebrate Zoology and Introductory Biology labs.

### **PROFESSIONAL EXPERIENCE**

**2008 – 10’.** Biological Scientist. IFAS Extension Program, University of Florida. Developed interactive web applications to assist clam farmers and fisheries biologist working in and around Cedar Key, FL.

**2008 – 09’.** Biological Science Technician. United States Geological Survey (USGS), Gainesville, FL. Developed interactive map application to monitor fish and crayfish distributions in North America.

**2005 – Present.** Biological Scientist. Department of Biology, University of Florida. Developed interactive web applications to support teaching and learning in the Biology labs. Assisted in online course instruction and design for all web-based Biology courses currently being taught in the Biology department.

**2002 – 04’.** Fisheries Scientist. USGS. Gainesville, FL.

**1999 – 01’.** Software Development Consultant. Xetex, Inc. San Francisco, CA.

**1998 – 99’.** Assistant Biologist. U.S. Fish and Wildlife Service (USFWS), Maui, Hawaii.

**1996 – 98’.** Research Assistant. Department of Zoology, University of Florida.

### **CERTIFICATIONS, AWARDS, AND FELLOWSHIPS**

**2008.** Project WILD Certification

**2008.** Prudential Davis Productivity Award.

Streamlined Laboratory Learning Through Web-Based Applications

**2001 – 2004.** Grinter Fellowship.
